Procedures

Selective High School

The following Procedures are implemented at St Euphemia College:

- Year 5 students are informed of the DEC Selective Schools Entrance requirements in Term 3
- Selected students are encouraged to apply for DEC Selective Schools Entrance.
- Other students not selected by the School can also apply upon parental or caregiver request.
- A meeting of all selected and interested students is held to inform students of the necessary procedures and provide them with an application package.
- Students must return their completed application forms to the School by the due date.
- The Principal/Delegated Authority review the applications received, complete the required information and then forward the applications to DEC.

Any student who is successful in gaining DEC Selective School Entrance will be offered a full scholarship to continue their education at St Euphemia College.

Students gaining reserve list status will be offered a half scholarship. If their status changes to a successful placement, a full scholarship will be offered.

Opportunity Classes
