Fee Information

- Prep Fees will be charged on an Annual or Term Basis. The preferred method of payment is direct debit.
- Annual Fees are due on the first day of Prep and must be paid in full on the first day to attract the indicated discount. No other discounts apply to the Prep class.
- If paying fees on a term basis, the fees are due on the first day of each term.
- Payments can also be accepted monthly or fortnightly by direct debit. This type of payment plan must be negotiated with the Director of Junior School.
- Withdrawal of a child from the Prep class requires one term's notice to be given in writing. Failure to do so will result in a term's tuition fees being invoiced.

Application and Enrolment Fees

- As Prep is now the point of entry into the School, Application and Enrolment Fees must be payable at time of enrolment. Application and Registration Fees are non-refundable. These fees are not charged again when entering into Kindergarten.
