### Payment of Fees

First term fees must be paid as soon as possible in order to secure a position for the following year. Fees for the other three terms must be paid one month prior to the commencement of each term.

Parents and Caregivers wishing to pay the total amount of fees in advance (before 28 February 2017), will be given a \$200 discount for every child.

The Building Fund Fee will go directly towards improvements of the new building. **Parents and Caregivers who wish to donate \$2,000 or more (tax deductible) will be exempt from the Building Fund Fee for the remainder of their child's education. In order to receive your tax deduction, this donation must be made before 30 June 2017.** When considering the increase in school fees, please be reminded that even with the above increases, **our fees are much lower than other private schools in the area.**

**Please note that the above fee adjustments do not fully cover all running expenses, mainly increase of salaries. They are well below the 10% recommended increase.** Any parents and caregivers who have genuine economic problems can arrange a meeting with Mr Peter Theo to discuss the matter.
