

EXTEND OUTSIDE SCHOOL HOURS CARE

Extend is Australia's largest family owned and operated Outside School Hours Care provider. Our After School Care is engaging, inclusive and safe. Coupled with our knowledgeable, compassionate and energetic Educators, there is good reason why Extend is the place for your children to thrive, learn, laugh and play.

Since 2002, Extend has enriched the lives of children across Australia, we've partnered with extraordinary schools like St Euphemia College and have helped parents balance work with family life. Most rewardingly, we have had the privilege of shaping young minds, witnessing their growth and development during their most important years, and making a real difference to children's lives. We are tremendously proud of what we have achieved and excited about the journey ahead.
